## Fourways Residential Home Newsletter January 2025

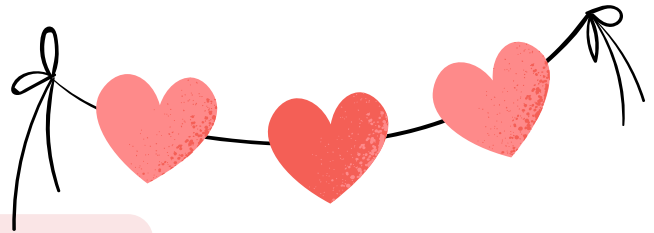

Dear families and friends,  
We trust this newsletter finds you well . January, as is customary, wrapped us in its chilly embrace, stretching long and frosty. Yet, we are delighted to share that we kept warm and our days were filled with lots of activities . Our residents enjoyed crafts, baking , live music, lovely pamper sessions, games, and delightful conversations during one-on-one room visits. A particular highlight was the joyous experience of mastering chopsticks as we celebrated the vibrant spirit of the Chinese New Year.

**All of our residents have key workers ,each resident`s key workers aim to be a specialist about their residents. If you ever want to chat to any key workers , feel free to ask !**

February is bursting with excitement, and we can't wait to dive in! Check out the fabulous lineup of activities we've got in store for this month!
